## JOBBER CATALOG

Great selection of Headache Racks, Siderails and Accessories.

# BUILD YOUR RACK

Build a headache rack that meets your specific style and function. BackRack's line up of headache racks give no limitations. Combine any rack with a truck bed cover, toolbox or any desired accessory to match any specific need. Scan the QR code to start building!

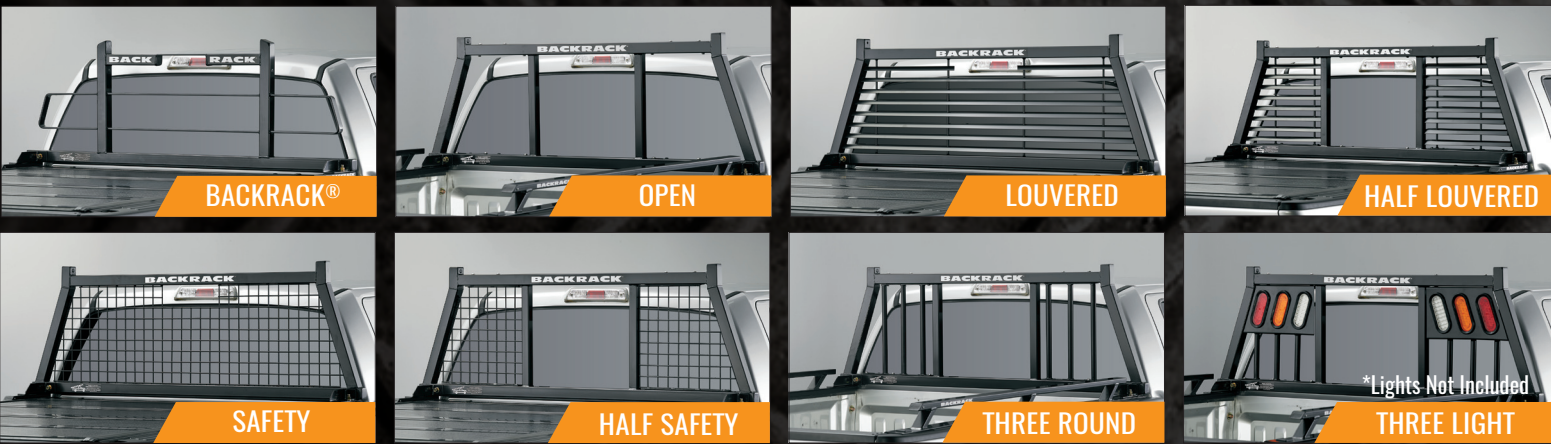

# WHY BUY BACKRACK®?

- ✓ NO DRILL INSTALLATION
- ✓ TONNEAU COVER COMPATIBLE
- ✓ MOUNT LIGHTS AND ACCESSORIES
- ✓ PARK IN YOUR GARAGE
- ✓ CARRY LONG LOADS WITH EASE
- ✓ NORTH AMERICAN QUALITY

## Step 1: Choose a Rack

## Step 2: Select Required Bracket

## Step 3: Add Accessories

THE ONE, THE ONLY  
**ORIGINAL  
BACKRACK®**

**BACKRACK®** is the market leader in Cab Guards for pickup trucks. Our innovative designs allow you to achieve the look you desire for your truck. By consistently listening to you, our customer base, we continue to develop products that are **compatible with other accessories**, and that means you never have to compromise. Our hands on approach to manufacturing and rigid quality control process provide the foundation for our success.

## ALL NEW TRACE RACK

The **TRACE Rack** provides the legendary protection BackRack is known for, now built with a sensational style all its own. Made from sturdy 14-gauge black powder-coated steel, the rack features a sculpted design that establishes a backbone of grit and determination. An optional Cab Shield is available to enhance protection for both cab and passengers and creates a total rack solution. TRACE Rack's innovative design really drives it home with a simple no-drill installation and our **BACKRACK® 1-Year Workmanship Warranty**.

- MADE FROM QUALITY STEEL
- MAXIMUM CORROSION RESISTANCE
- NO DRILL INSTALLATION
- COMPATIBLE WITH SELECT TONNEAU COVERS

**50XXX SERIES - Wide Top Rail Covers**  
 50XXX Series Kits include everything required for installation except the BACKRACK® Frame.

Unlike the previous 925XX Series, a separate Hardware Kit is not required for purchase.  
**Ex:** BACKRACK® for 2021 Sierra 1500 would require 50122 + 15029.

**40XXX SERIES - Inside Rail Clamping Covers**  
 40XXX Series Kits include everything required for installation except the BACKRACK® Frame.

Unlike the previous 925XX Series, a separate Hardware Kit is not required for purchase.  
**Ex:** BACKRACK® for 2021 Sierra 1500 would require 40122 + 15019.

## IMPORTANT INFORMATION - PLEASE READ BEFORE ORDERING

- Frames indicated above are BACKRACK® frame style only
- 15021, 15022, 15024, 15026, & 15030 are reduced in height to sit cab-high when used with 50XXX Series
- All frames other than 15021, 15022, 15024, 15026, & 15030 will sit higher than the cab and will look odd on 50XXX Series
- If height clearance and looks are concerns, we recommend 15021, 15022, 15024, 15026, & 15030 with 50XXX Hardware

- 40XXX Series Hardware increases overall frame height by 1"
- 50XXX Series Hardware increases overall height by 2"
- All other frames are compatible with 40XXX & 50XXX but height increases 1" & 2" respectively
- All other frames specified for your truck are designed to sit near cab high with Standard Hardware
- Expect a 1" increase in height with 40XXX and 2" height increase with 50XXX
