

# DURAMAG®

ALUMINUM BODIES FOR ALL APPLICATIONS. MADE IN THE USA.

## Smooth Side Landscape

**DISTRIBUTED BY:**

### BUILT TO PERFECTION

DuraMag® Landscape Bodies are ALL Aluminum box tube construction. The standard 42" & 48" headboard has a 16" x 30" expanded metal window. Heavy duty 2" x 6" long sills and 2" x 3" cross members - all 12" on center. The Duramag® Landscape Bodies are all built with proprietary extruded tongue & groove aluminum flooring that's far stronger than typical steel floors.

**In short:** Highly-engineered and overbuilt so your only limitation is the truck's GVW, not the body.

### STANDARD FEATURES

## REMOVABLE SIDES

Turn your Landscape body into a flat bed. Great for plowing snow (visibility and sander in the back) or jobs where side loading is required. The changeover is easy: DuraMag's removable sides and rear are secured with stainless steel bolts. The tie rail is relocated to under body.

**The removable sides option is an ideal work truck solution for four season use.**
